Residence Profile Detailed Remarks			
Residence	Resi Profile Verification (Applicant & Co-Applicant): We have visited the given address at No. 44, Ethuraj Vattam, Ottapatti, Allamangalam Post, Natarampalli, Tirupattur – 635651. During the visit, we met the applicant, who confirmed that he is not currently residing at the given address. He stated that his father alone is residing at the given address, which is their own property and has been occupied for more than 20 years. The property is a hut-type house measuring approximately 250 sq. ft. The applicant further stated that he shifted to his current residential address, located approximately 200 to 400 metres away from the given address, more than 07 years ago. However, his Aadhaar card has not been updated with his current residential address. Later, we visited the applicant's current residential address (D.No. 4/50,Murugan Street,Ward 4,Ex Mla Vattam,Pullanaeri Village,Jolerpettai,Tirupattur – 635651.) and met the applicant. He confirmed that he is currently residing at the said address. At the time of our visit, alteration work was in progress at the front side of the residence. The property is an RCC building measuring approximately 800 sq. ft. The family consists of 05 members, with 01 earning member. The applicant stated that he is an Army retired pensioner and receives a monthly pension of more than Rs. 33,000/- credited to his bank account. The applicant and co-applicant confirmed their residential details and acknowledged their awareness of the HHFL loan application. We also cross-checked the current residential details with 3 to 4 nearby neighbours, including Mr. Dharmalingam and Mrs. Nagavalli, who confirmed the same. The given address was found to be easily traceable. No political affiliation, adverse information, or negative remarks were reported or observed during the verification. However, the applicant is not residing at the given application address, and his current residential address is different from the address mentioned in the Aadhaar card. So hence this profile was positive. Status : Positive.
